Staffing for next year is based on the courses that you select during the academic advising process this year, so plan carefully. Using the course numbers below, select your desired classes for next year in your StudentVue account. Review the diploma types in the online course catalog to help you develop a four-year academic plan for graduation. After selection in StudentVue, courses are viewable in ParentVue for verification. All selections must be made by 3/12/2025. There will be a freeze for staffing decisions from 3/13-4/20 and no changes can be made. Starting on 4/21, changes to 25-26 course requests will be reviewed on a space available basis through the end of the school year, **June 11, 2025**. **As of June 11, 2025, all course selections for 25-26 SY are FINAL.** If there is a conflict in your schedule, the alternative course will replace your conflicting course. Questions? Contact your school counselor.
