School Counselor

Staffing for next year is based on the courses that you select during the academic advising process this year, so plan carefully. Please indicate by a check the classes that you would like to take. Review the diploma types in the online course catalog to help you develop a four year academic plan for graduation. After selection, courses are viewable in ParentVue for verification. West Potomac High School will mail home a listing of the courses you are registered for in April. Please note staffing is determined the end of March so any requests for changes after March 22 will be on a space available basis. **As of May 1st, all course selections are FINAL.** Minor adjustments may be accepted on a space availability basis both prior to school starting and during a brief elective change window 9/3/19 - 9/6/19. If there is a conflict in your schedule, the alternative course will replace your conflicting course.
