School Counselor

Staffing for next year is based on the courses that you select during the academic advising process this year, so plan carefully. Using the course numbers below, select your desired classes for next year in your StudentVue account. Review the diploma types in the online course catalog to help you develop a four-year academic plan for graduation. After selection in StudentVue, courses are viewable in ParentVue for verification. All selections must be made by 3/10/2023. There will be a freeze for staffing decisions from 3/13-4/14 and no changes can be made. Changes will be allowed from 4/17-5/12 on a space available basis as staffing decisions will already be finalized. As of May 12, 2023, all course selections are FINAL. Minor adjustments may be accepted on a space availability basis both prior to school starting and during a brief elective change window early in 23-24 SY. If there is a conflict in your schedule, the alternative course will replace your conflicting course. Questions? Contact your school counselor.
