Staffing for next year is based on the courses that you select during the academic advising process this year, so plan carefully. Please indicate by a check next to the **seven classes** that you would like to take next year. *Do not select more than seven courses.* Courses selected will be viewable in ParentVue no later than March 15, 2019. This will allow parents to review classes selected. Please submit any corrections to the high school alpha counselor by March 22, 2019. West Potomac High School will mail home a final listing of the courses you are registered for in late April. Any requests for changes will be processed on a *space available basis*. Physical education or one elective course per year may be taken on a pass/fail basis. Students who fail the Math 8 SOL will be placed in the Algebra 1 Part /Algebra 1 double block class and students who fail the Reading 8 SOL will be placed in Literacy Lab 1. Alternate electives will replace a selected elective if there is a conflict in your schedule. Be sure to select two alternate electives.
