

WEST POTOMAC HIGH SCHOOL
GRADE 9 – 2025-26 COURSE OFFERINGS SHEET 12/20/24

- Staffing for next year is based on the courses that you select during the academic advising process this year, so plan carefully. Students are meeting with HS and MS counselors 1/9-1/16 to select courses for 2025-26. This is done via their StudentVue account. Alternate electives will replace a selected elective if there is a conflict in your schedule. Courses selected in StudentVue will be viewable in ParentVue accessed via web browser. This will allow parents to review classes selected. Once students meet with counselors, selections will be locked. Any updates/corrections need to be emailed to the HS alpha counselor. HS Counselor contact information can be found on the WPHS website under Student Services.
- Please submit any corrections to the HS alpha counselor by March 12, 2025. There will be a freeze for staffing decisions from 3/13-4/20. Starting on 4/21, changes to 25-26 course requests will be reviewed on a space available basis through the end of the school year, **June 11, 2025.** **As of June 11, 2025, all course selections for 25-26 SY are FINAL.**
- Students who score below 400 on the Math 8 SOL may be placed in the Algebra 1 Part /Algebra 1 double block class and students who score below 400 on the Reading 8 SOL may be placed in Literacy Lab 1 and Environmental Science. Students who receive Special Education may have courses that already appear in StudentVue based on their Individual Education Plan. Students who receive ESOL support may have courses that already appear in StudentVue based on their ESOL level.
