

AP Spanish

Benefit of taking the course:

- AP course
- Opportunity to earn a Biliteracy Seal for your Diploma
- Can earn college credit
- By the end of AP, students should be able to have advanced conversations about most topics.

Units	You will...
Overview of Hispanic Countries, Immigration and History and Culture	<ul style="list-style-type: none">● AP Themes: Families and Communities, Contemporary Life, Science and Technology, Personal and Public Identities, Global Challenges, and Beauty and Aesthetics● Be able to compare and contrast different cultures.● Compare and Contrast different Holidays● Speak about diversity
Puerto Rico	<ul style="list-style-type: none">● AP Themes: Families and Communities, Contemporary Life, Personal and Public Identities, and Global Challenges● Learn about the culture● Learn about the 1900 history● Read Puerto Rican short stories● Read Puerto Rican articles
Guatemala	<ul style="list-style-type: none">● AP Themes: Families and Communities, Science and Technology, and Global Challenges● Learn about the culture● Learn about the effects of poverty● Watch the documentary “Living on a Dollar”
Colombia	<ul style="list-style-type: none">● AP Themes: Contemporary Life, Science and Technology, Personal and Public Identities, Global Challenges, and Beauty and Aesthetics● Learn about the culture● Learn about the effects of the guerrilla and drug trafficking in the country● Watch the first episode of “La Nina”

And you can learn all of this by listening to and reading real-world information and talking to your classmates. The focus is on communicating and learning about Hispanic countries, their history, language and culture. Don't lose the Spanish you spent three or four years learning! See your counselor about taking AP Spanish in September. Questions? See Mrs. Rodríguez yrodriguezfi@fcps.edu
