

Don't miss out!

Technology & Engineering

at West Potomac HS

Courses for all grade levels, including HONORS

STEM Engineering Honors (Civil, Mechanical, Electrical, Aerospace)

STEM Adv. Engineering & Emerging Tech. Honors (Full Size Cardboard Boat Races)

STEM Advanced Electronics/Robotics Honors (Robotics, Cybernetics Projects)

STEM Design – Fine Art Credit (3D Modeling, CAD, Drawing)

STEM Pre-Engineering (Limitless Project Options ...)

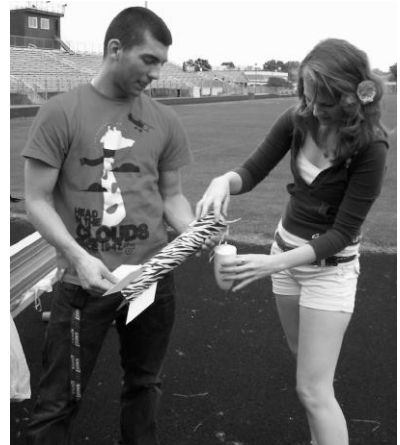

Aerospace Science (RC Airplanes and Rockets)

Electronics 1 (Arduino Projects)

Architectural Drawing (Model Building)

Advanced Drawing (Animation)

Engineering Drawing (Slot Car Racing, 3D Engines)

Students enjoy having access to 3D Printers, Laser Cutters & Engravers, Full Motion Flight Simulators, CNC Milling Machines, Sublimation Printer, etc

Get involved with the Technology Student Association (TSA), West Potomac's #1 competitive team, or the community outreach club, Girls in Engineering Math and Science (GEMS)

There are no other classes like these at West Potomac, come for a tour (in the future ...) of our classrooms and labs anytime to see what you're missing (Room 163)

*** Don't waste on elective class slot, take Finance online ***
