

# WPHS College and Career Center Updates

## September 2022

Welcome back to school West Potomac students and families! My name is Mrs. Karen Young. I am the new College & Career Center Specialist here at WPHS and am replacing Mrs. Elizabeth Carter who retired at the end of last year. I am a proud graduate of Hampton University and earned my Master of Science degree in Human Resources and Industrial Relations from Rutgers University in NJ. Prior to joining the West Potomac family, I worked in Human Resources for 20+ years with a strong emphasis in Career Management. We are transplants to northern VA and most recently I worked in Student Services at Hayfield High School.

I truly believe that knowledge is power. My goal in the College and Career Center is to provide all students with pertinent and important information that will ultimately assist them in creating a solid post-graduation plan for the next chapter in their life's journey...whether that is a 2- or 4-year college, military service, trade school or work.

Throughout the year, there will be a variety of opportunities for students to learn information to assist in planning for post-secondary plans through lunch and learn sessions, college information sessions, financial aid, test prep, programs, career information sessions, selected scholarships and other opportunities.

Each month, I'll communicate through CCC Newsletters to WPHS students, parents and staff. The newsletter will list upcoming events, College Rep Visits for the month, SAT/ACT information, scholarship information, enrichment programs, military information, job opportunities and much more! You can also review the many CCC resources on the following website: <https://westpotomachs.fcps.edu/student-services/college-and-career-center>

I'm very excited to join the West Potomac Family and look forward to supporting all students in reaching their highest potential!

### **College and Career Center :**

Do you need help with making plans after high school graduation? I partner with school counselors, teachers, and staff members to help students make informed decisions about post-secondary opportunities. The CCC is opened Monday – Friday from 8 am – 4 pm. I am available to meet with students and parents virtually or by phone. Please send an email to Mrs. Young at [kbyoung1@fcps.edu](mailto:kbyoung1@fcps.edu) if interested in scheduling a time to meet. I can also be reached via phone at 703-718-2548.

## **College Information Sessions:**

Seniors and juniors who plan to go to college after high school graduation are starting the college admissions process. College admissions representatives are invited to the CCC during the fall to present information about their schools. This year, I will be hosting in-person college representatives in the CCC, unless the college representative decides to conduct their visit virtually. Visits will begin the week of September 13<sup>th</sup>.

Students will register to attend college visits through **Naviance Student**. The registration process instructs students to print the confirmation page as a “Pass” or take a screen shot on their cell phone to show teacher(s) whose class(es) they will be missing at least 2 days prior to the event.
